

FOR IMMEDIATE RELEASE

**East Hanover, New Jersey (October 5, 2012)
GM Systems represented Cirtek/Silicon Link and Agile
Microwave Technology**

**Take a look at some of the highlights of our first trade show at the:
North New Jersey IEEE MTT/AP 27th ANNUAL SYMPOSIUM AND MINI –
TRADE SHOW THURSDAY OCTOBER 4, 2012
PLACE: Hanover Manor, 16 Eagle Rock Ave., E. Hanover, N.J. 07936.**

**The conference presented a series of lectures describing the state of the art in
Microwave, RF, and Wireless Communications, technologies by leaders in their
respective fields and a MINI Trade show with over 36 suppliers of advanced RF and
Microwave components, test equipment and assembly services with over 200
attendees.**

**On the left Jay Chudasama, President of Agile Microwave
Technology, and Tom Terlizzi Vice President of GM Systems**

The left photograph is a view of the tabletop presentation and on the right Agile Microwave Technology RF components are displayed.

On the left photograph is the poster board presentation of Silicon Link, Cirtek and GM systems products with Cirtek sample products in the foreground. The right photograph is a closer view of the Cirtek poster board presentation.
